Roaring 20s vs. Great Depression: Photo Analysis Questions

1. In a few sentences, write about the differences and similarities between the two sets of photographs. Are there any common themes? Are there any major differences?

Think About It: What Caused the Great Depression?

2. Make a hypothesis about what you think caused the Great Depression. How did the lifestyle of the 1920s move us from the decade's optimism and "roaring" times to the Depression of the 1930s? Write a paragraph explaining your hypothesis. Please write in complete sentences!
