# Plan B

**President Smith will get you through this time of Prosperity and recession my plan will not fail Prepared to Be Insured.**

**1. Federal Deposit Insurance Administration [F.D.I.A] This Agency protects any money deposited into your account is insured by your Federal Government up to \$500,000. This agency will insure an incident like the Great Depression will never happen. Also it account for all your savings.**

**2. Pension Payment Proclamation Act Of 2014 [P.P.P.A] This act will insure that any American that can not work due to Disability, Age, and Unemployment will receive a bimonthly check from the Government. Checks will be sent to all Americans unable to work this will be paid by taxes charged from other American citizens.**

**3. Federal Spending Federation [F.S.F] During this time of Recession The Government will create more jobs using Federal works projects. This agency will increase Federal spending but it is worth it to create American jobs.**
