

Dear Hero,

I'm a seventh grader and my name is Ellie. I know that you serve our country and that you fight for us every day. I'm going to bring in food for the canned food drive at our school because you do so much for me. I thank you so much because you don't know more than half the people you're serving but yet you do it anyway. So, I want to serve you in any way I can because you are a great role model. I just wanted to thank you so much for working so hard and protecting us. You show so much bravery and I think that is awesome and I hope that I could show as much bravery as you do every day. I really hope you like this letter because I mean every single word that I said. I know that you are kind, brave and most of all a HERO.

Thank you for keeping me safe.

Thank you for being brave

Thank you for being strong.

Thank you for fighting for me and the nation.

Thank you for not giving up on me.

Thank you for working as hard as you do.

Thank you for being not only a great role model but also a great HERO!

THANK YOU!

From your biggest fan,

Ellie (:
